

A yellow safari vehicle is parked on a dirt road in a savanna landscape. The vehicle is a four-door model with a roof rack and a spare tire mounted on the side. It is positioned on the left side of the frame, facing right. The road is a light-colored dirt path that curves into the distance. The surrounding landscape is a mix of dry grass, shrubs, and trees. In the background, there are rolling hills under a blue sky with scattered white clouds.
